Q. What is your favorite quote?

A. Begin as you mean to go on

Q. What does success look like to you?

A. To start each day with a sense of purpose, with the ability to flex and bend throughout; and to end each day with a strong sense of satisfaction knowing the best has been given.

Q. What is your mini escape or your best stress reliever during a busy or stressful time?

A. A brisk walk followed by a hot bath and good book

Q. Complete this sentence: "I wonder what it would be like to live in a world where..."

A. ...true listening takes place, sincere curiosity reigns, acknowledgement becomes a table stake and innovation takes flight into creation.

Q. As you get older, what is the one thing you know for sure?

A. The desire to be a student has overcome the desire to be a master

Q. What have you let go of that changed your life the most?

A. The need to see a debate through to a consensus
