

A woman with long blonde hair, wearing a green top, stands in a field of tall, golden grass. Her arms are raised high in the air, and she is looking towards a bright sunset. The sun is low on the horizon, creating a strong lens flare and illuminating the scene with a warm, golden light. The background shows a line of trees and a clear blue sky.

Learnings:

1. Stories: let your skeletons dance!
2. Lean into discomfort
3. Self-doubt should drive you, not define you
4. Stories take on new meaning over time
