But be prepared to let your life path
change directions.

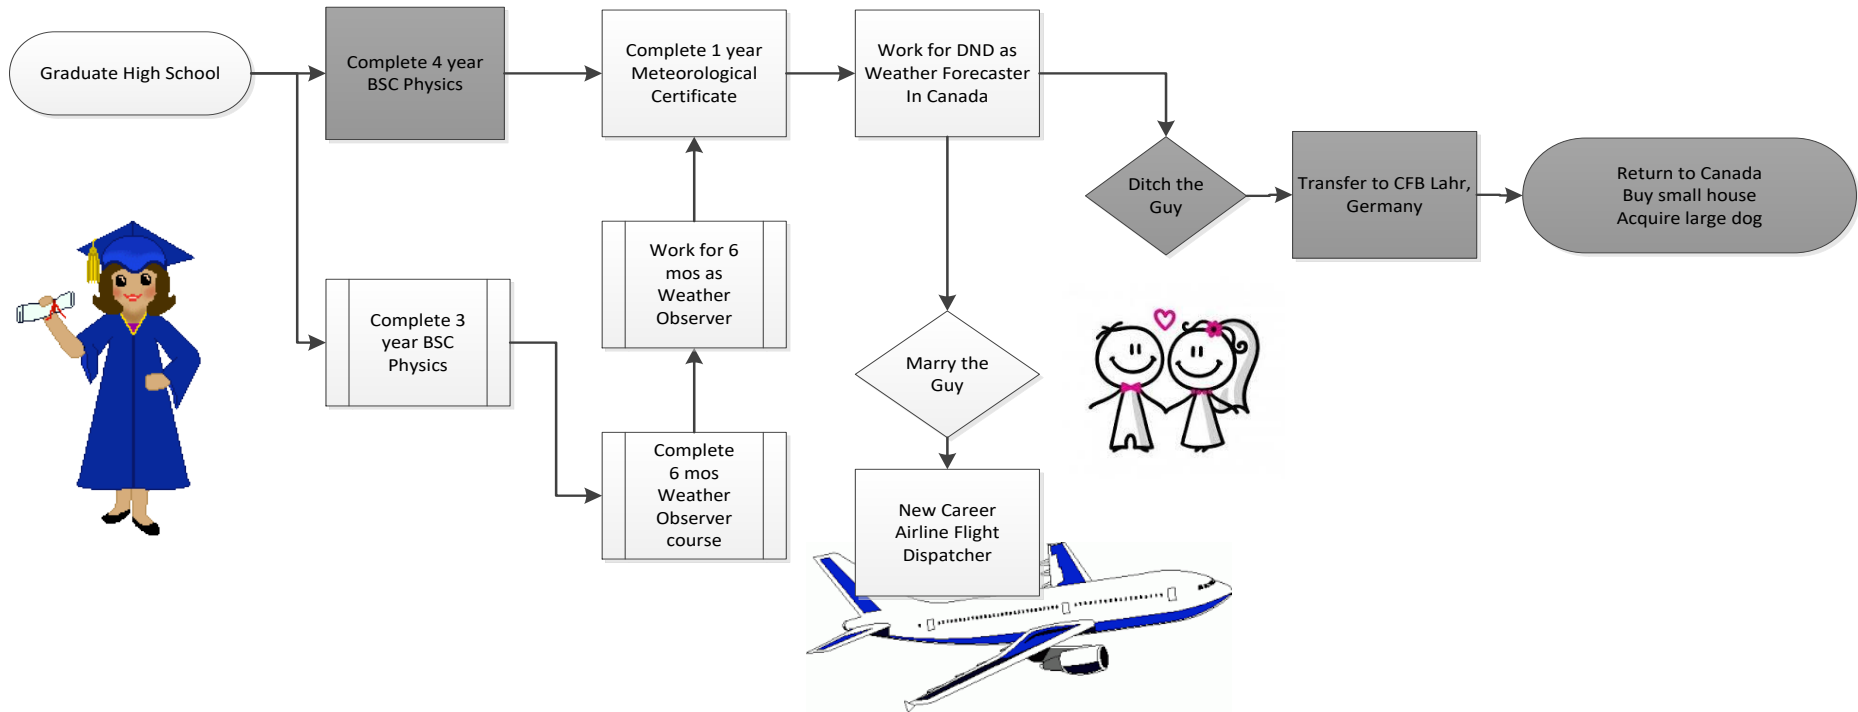

The New Plan

Same destination, just another route!

The Second New Plan

And sometimes changing directions can also mean changing tracks and lead to a new destination.

2018

How to be Ready for Anything?

- Be flexible and adaptable
- Be open to the viewpoint of others
- Be imaginative and think outside the box
 - Be brave and not afraid to fail
 - Get outside of your comfort zone
 - Be always open to learning
 - Warm up to conflict
- Be progressive – static is not an option
- If you have to do a full 180° make sure you only do it once
